EMERGING LEADERS PROGRAM

Leadership Medina County's Emerging Leaders (EL) program is designed to provide those "early" in their current career paths with the necessary tools, information, and networking opportunities to benefit themselves and the businesses they support as they become community and businesses leaders.

The program includes six sessions from September through February. Tuition is \$425. Tuition assistance is available.

2017 – 2018 Program Information

The program includes an opening retreat plus five three-hour afternoon class sessions at various locations throughout the community. Full attendance is required with one excused absence.

Participants Will Develop:

- Self-Awareness – strengths, leadership styles, and formulate action plans.
- Community Involvement and Service – growth through service to others, how to get involved with committees and boards, greater appreciation of the responsibilities of board members and the process of engagement.
- Communication and Networking Tools- social media, exploring generational perspectives.
- Collaboration and Teamwork Skills – team player ability, fundamentals of working on teams.
- Professional Advancement – a deeper appreciation of what employers look for in employees.

Individuals Benefit Through:

- Unforgettable experiences and new relationships that pay dividends personally and professionally.
- Public recognition as an emerging leader with proven leadership training.
- Building credential as someone with demonstrated ability to serve on civic committees and boards.

Organizations Will Gain:

- Stronger leaders for organizations of all sizes.
- Community recognition as an organization dedicated to continued professional development.
- Valuable business connections.
